Hydroline

For river, rainfall and lake level information

The Wellington Regional Council has developed a River, Lake and Rainfall Infoline that provides easy access to river, lake and rainfall information in the Wellington Region.

Data is automatically updated between three and six hours and more frequently during floods.

Information is available for 6 areas.

- Kapiti Coast
- Wellington City/Porirua
- Hutt Valley
- Wainuiomata/Orongorongo
- Wairarapa Rivers
- Wairarapa Rainfall & Lakes

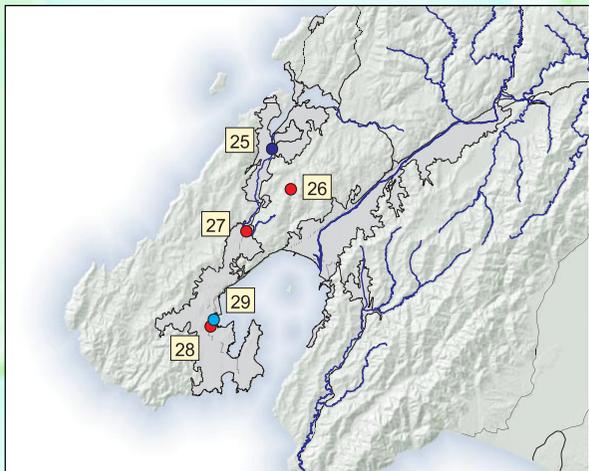

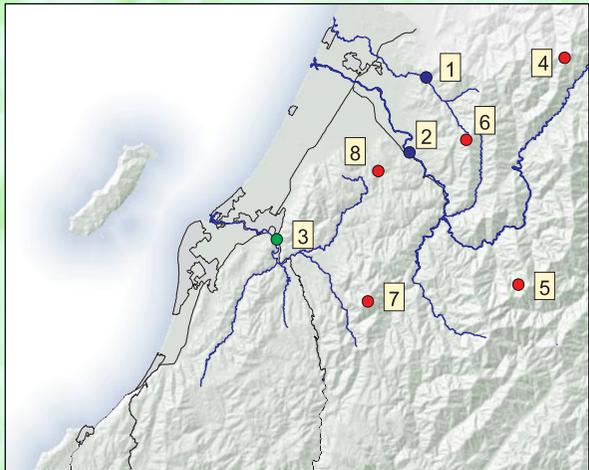

Calls cost 12 cents per minute.
