8 Future reporting to the Environment Committee

Nigel Corry, General Manager, Environment Management, spoke about changing future reports to the Committee so that they are more outcome-based than the current predominantly business group based report style. He also proposed to report in future on a catchment by catchment or whaitua by whaitua basis and this approach received wide support from Councillors

Councillor Lamason left the meeting during consideration of this item.

The meeting closed at 12.28pm.

S Kedgley
