

Appendix F Open Day Promotional Flyer

Eastern Bays Shared Path

OPEN DAY

Sharing Your Views

The Eastern Bays Shared Path project is progressing well and an Open Day will be held to get your feedback on the options. A number of designs for the two path width options have been developed, including options to treat the more sensitive areas around the beaches.

We would like to hear your views again as the project progresses. Where possible, your input will be incorporated into the technical information, to select the preferred option in preparation for consents to be lodged later in the year.

When: Saturday 26 August 2017

Time: 10am – 2pm

**Where: Eastbourne Library Meeting Room, 38 Rimu St,
Eastbourne, Lower Hutt**

If you would like to know more, please contact:

simon.cager@huttcity.govt.nz

Please keep an eye on the project page on Hutt City Council's website for more details: <http://www.huttcity.govt.nz/eastern-bays>
