Burrell Demolition Limited and C and D Landfill – extension of landfill area

Burrell Demolition Limited and C and D Landfill was granted consent to extend an area of fill from 240m AMSL to a maximum of 265m AMSL (additional fill area) with a sloped mound for landscape purposes up to an additional 13m above the 265m AMSL. The proposed additional fill area is to provide for further capacity in the current landfill as a result of the increased volume of construction and demolition material from buildings needing to be demolished from the November 2016 earthquake.
