4. Non-notified consents of interest

Wellington City Council – expansion of Kiwi Point Quarry (KQP)

WCC was granted a suite of consents associated with the southern expansion of the KQP operation, in Ngauranga Gorge, Wellington. These consents amalgamate a number of existing consents, making compliance for GWRC and WCC, more straightforward. Updated conditions around stream monitoring and cultural health monitoring have also been applied. The consent was granted for 25 years.
