

**SUBJECT**            **Te Awarua-o-Porirua Whaitua Committee Workshop**

**WHEN**             **Thursday 10 May 2018**

**5.00pm – 9.00pm**

**WHERE**            **Takapūwāhia Marae, Ngāti Toa Street, Porirua**

**MEETING**        **Workshop (Closed to the Public)**

**FORMAT**

---

## **AGENDA**

### **Workshop Purpose**

- Complete development of Freshwater Objectives:
  - Develop fresh water objectives for MCI, Periphyton and Fish
- Community Engagement:
  - Update the Committee on community engagement activities, including meetings undertaken with Porirua City Council, Wellington City Council and Wellington Water

### **Key decisions to be made**

- Freshwater objectives for the following attributes, for ten WMUs:
  - Fish
  - Periphyton
  - MCI

*Freshwater Objective refers to the National Objectives Framework band or equivalent grade that we should be striving to achieve in each stream. These are first cut decisions based on the information available and may change with further information.*
