Vision:

Wairarapa – Where Water Glistens

Outcomes:

The future is engaged communities proactive in the long term sustainability of the catchment as a whole. A place where:

- we are all connected to the water so we are all equally responsible for creating a more natural state;
- holistic land and water management creates resilience;
- recreational and cultural opportunities are enhanced;
- there is a sustainable economic future;
- water quality is improving;
- ecological enhancement is sustainable;
- Ko wai, Mo wai, No wai: waterways connect communities, there is a sense of identity for people and water;
- there is safety and security of (drinking) water supply.
