

Re-allocation at consent expiry

September 2017

What the RMA says about existing infrastructure

When considering an application [for renewal of resource consent] ... a consent authority must have regard to the value of the investment of the existing consent holder (RMA s104 (2A))

Efficient use

Officer recommendations on efficient use criteria in the PNRP

Some priorities for allocating spare water

- Health needs of people
- Reserve water
- Enhanced efficiency test, eg water storage, multiple water use (sharing)
