I do not stand to gain commercial advantage from my submission.

I wish to be heard in support of my submission.

John Hill Submission on plan change ONE WRC

1. Legislation or council directions must be clear and precise.
2. It should not be able to be misinterpreted or used to support the ideology of any member or group within GWRC
3. To police any possible misuse or interpretation of rules, access to an independent commissioner should be available.

Thank you for reading this.

John Hill

I am seeking the following relief. Access to a commissioner where situations outlined in my submission occur.
