About us; Small private forest owner in Porirua City

We have operated a successful forestry business in the Porirua area  
for over 40 years consisting of 40 Ha of forested land

This has been in planting, harvesting and replanting

The forest is registered under the ETS

We wish to support the National New Zealand Farm Forestry Association and  
the Wellington branch of the New Zealand Farm Forestry Association  
Submissions in full.

Being a small forest owner, the costs and restrictions under the proposed new  
rules and requirements would render our forest operation uneconomic and we  
would receive no further income with the plan changes

We consider that the proposed rules governing forestry in Plan Change 1 would  
render the interest in we have in our land incapable of reasonable use, and are  
challenging these rules in accordance with Section 85 of the RMA.

Regards Jeremy Collyns
