

Community Research Privacy Statement

What this statement covers

Greater Wellington has created this privacy statement to explain how Verian collects and manages (on Greater Wellington's behalf) your personal information collected through this survey.

What personal information do we collect and for what purposes?

Greater Wellington is collecting your age range, gender, location, combined household income range, home ownership status, if you are affected by a long-term health problem or disability, and your opinions and comments on Greater Wellington and Metlink – the public transport operation run by Greater Wellington. Completing the survey is voluntary. The purpose for collecting this information is to understand public awareness and perceptions of Greater Wellington, Metlink, its activities and communications.

Using your information

We will only collect your personal information:

- For the purposes we collect that information (see above)
- For other reasons permitted by the Privacy Act 2020 (e.g. with your consent, for a directly-related purpose, or where the law permits or requires this use).

Providing your information to others

Verian will analyse your collected information to produce a report containing aggregated non-personal information and may include some verbatim comments (which will be anonymised as far as possible). The report will be published and accessible on the Greater Wellington website.

Further Information
